

Looking for innovative, cost-transparent health insurance for your clients?

Why today's workforce needs new health care options:¹

Almost half of U.S. adults struggle to afford health care costs

Competitive benefits are statistically the biggest advantage employers have to respond to burnout and quiet quitting

Better health benefits improve business outcomes.

Help your clients attract top talent³

of a typical job's compensation is benefits

Retain employees & reduce presenteeism³

of business leaders agree promoting wellness improves productivity and performance

Meet Curative, your competitive advantage.

Broker commissions

- We offer competitive broker commissions that are generally higher than the average US commission-to-premium ratio

Easy adoption of plan

- Onboarding is fast and customized with seamless implementation
- Competitive quotes

Transparent costs for employees^{*}

- copays
- deductible
- out-of-pocket expenses
- preferred prescriptions
- in-network doctor visits

*Upon completion of a Baseline Visit in the first 120 days of the plan effective date.

Offer the plan that lets employees focus on health care, not health costs. Learn more about **Curative** today and schedule a meeting with one of our representatives at **brokers@curative.com.**
