GENERAL ILLUMINATION
UTILITY LIGHTING
EXTERIOR LIGHTING
ACCENT LIGHTING

A photograph of a modern, multi-story building at dusk. The building has a brick facade and large windows, many of which are illuminated from within. Balconies with glass railings are visible. Streetlights are on, and the sky is a deep blue.

LIGHTING INSIDE & OUT

The lighting aesthetic enhances the marketability of a property, adding to its beauty, security, safety and real value.

A close-up photograph of a modern light fixture. It features a cylindrical, textured glass shade that is covered in water droplets. Inside the shade, a warm-toned incandescent light bulb is glowing. The fixture is mounted on a polished metal arm.

DETAIL & DURABILITY

Today's trends alongside the evolution of style, designing fixtures for a long lasting impression; and we manufacture our fixtures with a quality assurance that has earned NUVO's trusted reputation in the market for over 15 years.

RECESSED

Superior Light Quality, Color, Safety

High CRI ratings, CCT selectable colors, superior light output, and fire rated downlights are some of the best options for lighting solutions that can enhance the overall appearance of your real estate. Whether you are looking for lighting options for your residential or commercial properties, fire rated downlights offer additional safety features, making them a popular choice for many property owners.

CLOSET RATED FIXTURES

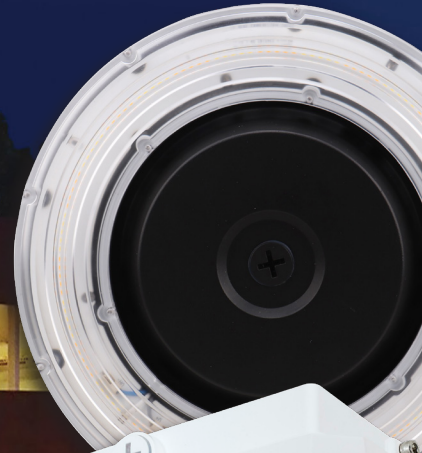

SATCO®|NUVO® now has 120 different products that comply with NEC 410.16(A)(3) & NEC 410.16(C)(5) Certified under UL 1598, suitable for clothes closet installation.

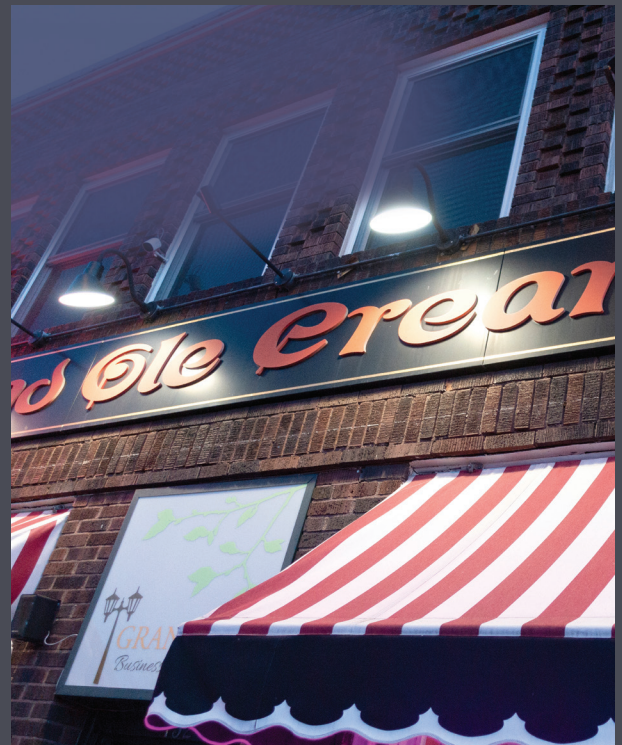

EXTERIOR

SATCO®|NUVO® exterior lighting includes decorative fixtures such as architectural lighting that accent and highlight a property's features.

Wall grazers, wall washers, flood lights and up/down-lighting accent a property's features, creating exposure to a building's facade and gardens, increasing beauty, aesthetic and overall appeal to the onlooker. In addition, SATCO®|NUVO® has a broad range of commercial lighting solutions that provide illumination for large spaces, offering improved safety, security and visibility with superior lighting quality and value.

PATHWAY LIGHTING

SAFETY & SECURITY

COMMERCIAL FIXTURES

SATCO®|NUVO® offers a vast line of DLC 5.1 certified commercial fixtures, providing high performance and energy efficiency. Take advantage of utility rebates to reduce upfront costs and achieve a faster return on investment through energy savings and lower maintenance costs.

NUVO UTILITY

NUVO Lighting is essentially comprised of two divisions, our functional division and our decorative division.

Through our functional division, we offer a number of fixtures that work well for utility spaces including stairwell areas, laundry, garage, working areas of your building that require task over decorative lighting.

NUVO functional lighting includes our LED Strip Lights, Wrap Lights and retrofit options.

Many of our fixtures are DLC® certified and Emergency Ready. We offer certified closet lighting and sensor enabled lighting.

- PIR / Microwave Sensors
- Bi-Level Dimming
- And more!
