WHY USE THE DOORDASH COMMERCE PLATFORM PRO PACKAGE?

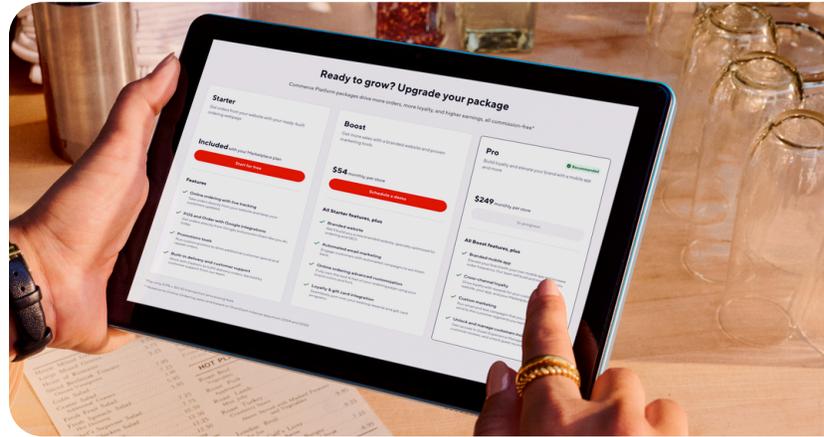

Pro is your all-in-one growth engine. From a branded mobile app to Cross-Channel Loyalty and customizable email and text marketing, Pro helps you stand out in a crowded market and create loyal, high-value customers.

PUT YOUR BRAND IN EVERY CUSTOMER'S POCKET

Stay top of mind and keep customers coming back with a branded mobile app. We build and customize it for you — colors, fonts, images — so it reflects your brand. And what's more, users who download a mobile app order 30% more frequently.¹

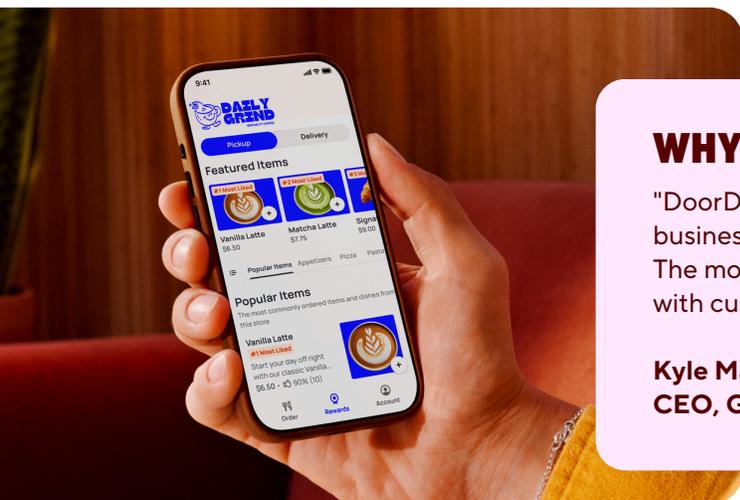

TURN DOORDASH CUSTOMERS INTO YOUR LOYAL CUSTOMERS

Get access to the only loyalty program that rewards customers no matter where they order from — online, in-store, on the DoorDash app, or on your own branded mobile app. No other provider does it all.

TARGETED, EFFORTLESS MARKETING

Reach the right customers at the right time. Use custom email and text campaigns with advanced segmentation, AI automation, and pre-built templates to create campaigns that drive sales and repeat orders.

WHY MERCHANTS LOVE PRO

"DoorDash has always been a great partner helping us scale our business, and launching the mobile app was a game-changer. The mobile app has boosted order volume and allowed us to connect with customers more efficiently, resulting in higher return rates."

CEO, Green Tomato Grill
