Design with nature in mind.

The modern workplace must be more than the sum of its parts. Throughout the property, carefully curated natural materials, inspiring greenery, and effortless functionality form a unique campus experience that's as inspiring as it is productive.

MATERIALS MATTER.

Throughout the campus, natural materials and lush greenery contrast with clean and modern architectural elements. This harmonious combination keeps Grand + Nash highly designed, yet highly functional.

Welcome to El Segundo

This diverse coastal city serves as a hub for creative innovators in design, tech, and new media. A thriving community, just minutes away from LAX—with quick connections to North + South, East + West corridors. And Los Angeles & Santa Monica are within easy reach. Soon, with the completion of the Crenshaw/LAX metro line located around the corner, El Segundo will be one of the most well-connected cities in Los Angeles.
