# Introduction

## Gracious corporate giving, simplified

We take pleasure in offering a corporate service that enables you to express gratitude to staff and customers through the gift of aromatic formulations for the skin, hair, body and home. In addition to many individual products, we offer seasonal gift kits, travel kits and duets, with selections to suit all skin types and preferences.

It is also our pleasure to offer complimentary delivery to your chosen address—arranged on a case-by-case basis.

Should you desire, a virtual shopping event and workshop can be hosted online, with Aesop consultants on hand to assist with selections. A corporate reduction is extended to all customers.

Kindly note that all prices cited in this brochure are recommended retail prices (RRP); discounts may be available depending on the volume of your order.
