

"A true Christian college is committed to the premise that the ultimate truth is the truth of God."

DR. R.C. SPROUL, FOUNDER AND FIRST PRESIDENT

Whatever God calls you to do, we believe that studying theology will prepare you for all of life. To truly understand anything in creation, we must see it in the light of the Creator.

At Reformation Bible College, we provide a classical education that is distinctly Reformed. Students learn timeless truths of Scripture and the Reformation while engaging classic texts of literature, history, and philosophy.

Our programs prepare students for lives of faithful service in God's kingdom. Students forge strong character through a well-rounded education, equipping them with a deep knowledge of God and His holiness.

WELCOME TO RBC

Our name defines us. We are a college committed to theological higher education, grounded in and governed by the Bible, and rooted in the past while reaching forward for a new Reformation.

R.C. Sproul, our founder, had a distinct and clear vision for RBC. In fidelity to that vision, we provide a uniquely integrated and comprehensive program of biblical and theological studies. Additionally, we emphasize the great works of literature, history, and philosophy. We also seek to equip our students to be compelling communicators in an age when truth, goodness, and beauty are compromised, cheapened, and even denied.

At RBC, we are an intentionally small community of dedicated mentors and students because we believe theological education is discipleship. Our faculty and staff are invested in the lives of our students and seek to see them grow in the knowledge of God and His holiness. We are profoundly grateful for the commitment our students demonstrate to the Lord and encouraged by their sense of calling. We count it a privilege to play this role in their education.

If there is anything we can do to serve you, please connect with us. We would love to hear from you.

“

RBC has been one of God’s greatest blessings in my life. I loved getting to learn so much more of God and His Word under faithful professors.

RBC

Student Life

Spiritual growth and discipleship are at the heart of our academic philosophy.

We believe faith flourishes when Christians share the joys and struggles of life in a trusted community.

The purpose of theological discipleship doesn't stop at personal growth. Our calling is to train up students to be young men and women of faith who serve effectively as Christian leaders. Theological knowledge reaches its highest expression when it leads to worship, love, and service in the body of Christ.

SPIRITUAL NOURISHMENT

Growing in Grace

From the first week of classes, we emphasize the need to invest in the local church body for spiritual growth and Christian community. We offer church information days, enabling students to connect with local congregations.

CHAPEL SERVICES

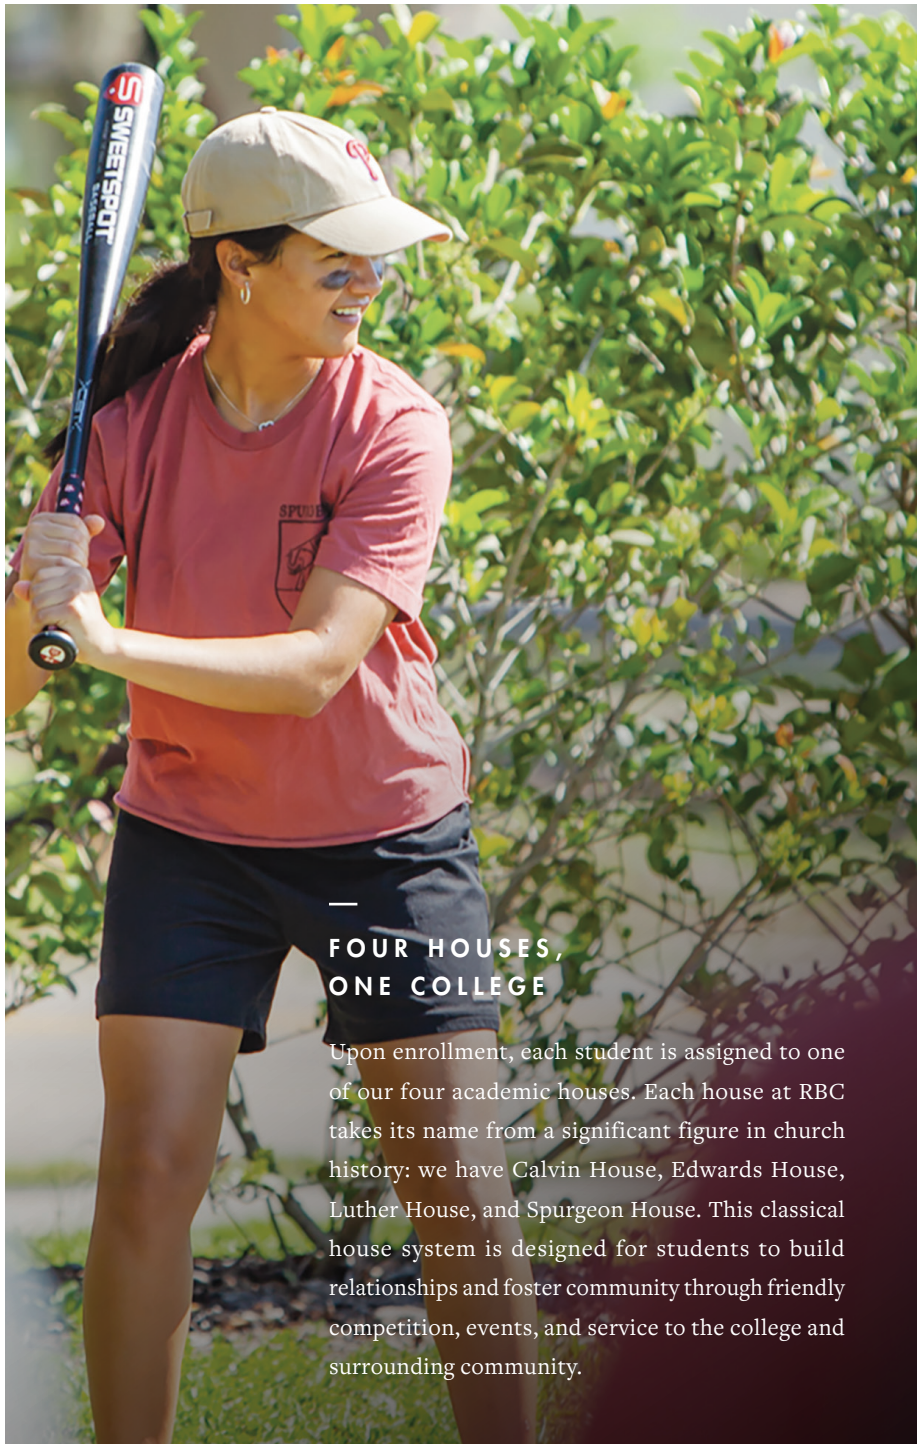

Growing in Faith

Our chapel services are designed to nourish students spiritually, calling them to greater faith and service for the kingdom. Every week, students sit under the preaching of gifted teachers, from RBC professors and Ligonier staff members to theological leaders and local pastors.

PURPOSEFUL COMMUNITY

Growing in Love

We share a purpose to study, grow, serve, and worship together as a close-knit community and build meaningful, lasting friendships. Relationships grow through time together, such as our sports tournaments, spirit week, annual 5K run, garden party, game nights, dinners, and other events. Groups of students enjoy going to local beaches together and kayaking at local state parks. Orlando amusement parks and the Florida west coast also provide opportunities for day-trip adventures.

FOUR HOUSES, ONE COLLEGE

Upon enrollment, each student is assigned to one of our four academic houses. Each house at RBC takes its name from a significant figure in church history: we have Calvin House, Edwards House, Luther House, and Spurgeon House. This classical house system is designed for students to build relationships and foster community through friendly competition, events, and service to the college and surrounding community.

Christian Community

RBC's campus is in sunny Central Florida, next to Ligonier Ministries and Saint Andrew's Chapel. Sandhill cranes, great egrets, turtles, and other Florida wildlife are seen almost daily on campus grounds. Winters are mild and sunny, and most students enjoy reading or picnics together outside during the cooler months.

HOUSING

Developing Friendships and Life Skills

Students who qualify to live off campus can find nearby housing with other RBC students. Many of our students live in apartments adjacent to RBC, developing friendships and life skills as they grow together into adults with minds, hearts, and hands working to the glory of God.

WORK OPPORTUNITIES

Providing Practical Experience

The student employment program enables qualified students to gain valuable experience in all sorts of fields, including academic research, event management, creative services, digital marketing, facilities, and more. In this practical extension of the classroom, students benefit from the mentorship of invested supervisors committed to their growth.

LOCAL WORSHIP

Investing in the Local Church

At RBC, we take church seriously. All students are required to be active in a local congregation. The Orlando area offers countless opportunities to be part of a vibrant and faithful church community.

ROOM TO GROW

Our residence hall provides spacious 1,300-square-foot suites. Each suite consists of four bedrooms and four bathrooms as well as a common living room, kitchen, and washer and dryer. Both single and double-occupancy rooms are available. This layout creates an ideal balance for you: private space for rest and study and a shared space for community building and fellowship.

Calvin

“God has blessed me with lasting friendships at RBC. I love living in a community with people who seek the Lord and care for others.”

Teaching the Next Generation

A unique benefit to our students is the close relationship our campus has with Ligonier Ministries.

Students are able to attend local Ligonier and RBC conferences free of charge. We view these additional learning opportunities as an extension of the classroom and as a means of bolstering their educational experience. Our students also enjoy complimentary access to discipleship resources such as *Tabletalk* magazine and can take a front-row seat during Ligonier's teaching series recordings.

A Shared Foundation

Our students cherish the opportunity to learn from the Ligonier Teaching Fellows.

Throughout his career, Dr. Sproul dreamed of establishing a college where the truth of God found in Scripture and outlined in the Reformed confessions could be taught by a trusted faculty to the next generation, providing them with a theological foundation for all of life. The roots of this vision are shared by the Ligonier Teaching Fellows, who are dedicated to making the deep truths of the Christian faith accessible to growing believers. It is always a delight to welcome our visiting professors, Drs. Sinclair Ferguson, W. Robert Godfrey, and Derek Thomas, to speak in chapel and to offer guest lectures in the classroom.
