

MUTILATOR BIOGRAPHY

Bram Luijten, better known as Mutilator, is making his mark on the hardstyle-scene with unrelenting force. After kicking off his career with his hit 'Onslaught' and signing on the leading raw label 'Gearbox Digital' things went fast for this young prodigy. Mutilator has already established his name in the scene, but continues to grow at an alarming rate. Exhibiting his productions on the worlds biggest stages, Mutilator commands the crowd with crushing kicks, relentless energy, fierce screeches and even his brand new live show concept 'Cage Of Carnage' where he tests the limits of the audience with an audio visual experience that is not for the weak.
