

With an unmatched quality of Hardstyle productions, Hard Driver has firmly set his foot within the genre as one of the most respected and revered producer DJ's of the modern age. Renowned for his hard, yet euphoric cross-over sound, Hard Driver's sound has bombarded the dance scene's most prestigious events with a barrage of devastating beats. Such events include Tomorrowland, Defqon.1, Airbeat One, Reverze, Intents Festival, Mysteryland and many events both small and large all over the globe.

Commencing a brand new decade with fresh new goals, his mindset for 2020 is to go all in! With this attitude, Hard Driver's passion, dedication and determination will be a catalyst for fans all over the globe to follow him in his mission - to let loose and live a life like there's no tomorrow. It's ALL OR NOTHING!

As for his live act, Hard Driver is set to unleash some absolutely insane inner and outer energy. Armed with exclusive edits, custom live visuals and his multi-colour 'grid' LED mask, Hard Driver will obliterate dance floors by taking everyone on an exciting musical journey to the outer realms of Hard Dance. Musically, this live act will touch on all facets of the Harder genre; from euphoric to raw, from mainstream to experimental – there's no doubt that Hard Driver will bring you to a state of pure ecstasy during this unique live experience.
