

MUTILATOR BIOGRAPHY

Bram Luijten, better known as Mutilator, is making his mark on the Hardstyle scene with unrelenting force. After kicking off his career with his hit *Onslaught* and signing to the leading raw label Gearbox Digital, things went fast for this young prodigy. Mutilator has already established his name in the scene but continues to grow at an alarming rate with big tracks under his name like *Psychedelics*, *Devastation*, *Spiders* and also working with big names like *Warface*, *Rebellion*, *D-Sturb* and many more.

Exhibiting his productions on the world's biggest stages, Mutilator commands the crowd with crushing kicks, relentless energy, fierce screeches. His show concept *Cage Of Carnage*, pushed the limits of the audience in 2025 at several big stages such as *Reverze*, *Rebirth Festival*, *Decibel Outdoor*, *Supremacy* and *Knockout Outdoor*.

In 2025 Mutilator also had the honor of creating the official *Supremacy* anthem, solidifying his place at the forefront of the raw hardstyle movement. And the momentum doesn't stop there—next year, fans can expect the unveiling of a brand new live show, proving once again that Mutilator is a force destined to dominate the future of the scene.
