

WARFACE BIO

Leading listeners on a journey of complete sonic savagery, Hardstyle phenomenon Warface holds, without a doubt, one of the most impressive success stories. From lurking in the underground to the claiming mainstages, the End of Line Recordings head honcho has sparked a musical insurgence that's captured the attention of the entire movement.

Unlocking the vault to triumph, Warface strikes gold with each creation that exits the studio. A few examples of Warface's musical superiority are his stream of artist albums 'Art of War', 'The 9 Circles', 'Vengeance', 'Synchronised' with D-Sturb and most recently, the 2021 album 'Forgotten Future'. In terms of single releases, Warface's most emblematic productions include 'I Need You', 'Radioactive', 'OOH LALA', 'No Paradise', 'We Always Rise', 'Sensory' and his Intents Festival 2022 anthem 'Intents HighScore'.

Known for his unique artistic vision, Warface has also showcased his Live For This concept during three sold-out editions in Amsterdam's iconic AFAS Live venue. Internationally, he's brought the madness worldwide to the majority of European countries, as well as to North and South America, Asia and Australia. His international influence has been confirmed with his positions in the DJ Mag Top 100 (#65 in 2017 and #75 in 2019).

Boasting a top-notch discography comprising of ground-breaking productions that leave crowds trembling in their boots, Warface stands for powerful, high-quality productions fronted by thrilling, adrenaline-fueled on-stage performances that leave people in awe.

It's 2023 and it's time for change. R.I.P. aka 'Rest In Pieces' is the brand new live act by Warface. This show is built of a formula, containing everything that Warface stands for; Screeching signature sounds and mind-blowing kicks in a non-stop dance floor breaking mix. Warface is back, revived in a new armor, bringing you a never seen experience that will blow your mind to pieces.
