

CAFOD's WORLD GIFTS

WORLD GIFTS CHALLENGE POSTER SET

Six target posters to help your students to reach out and support their global neighbours living in poverty around the world.

How it works

1. A class of students chooses a poster and ticks off each tile as the money is raised.

Alternatively, cut up the poster and replace one tile at a time, gradually revealing the picture.

For more of a challenge, choose a bigger World Gift for a year group or see if your school can reach all six targets!

2. Go to our online shop to purchase the World Gift.

3. A card and certificate is sent for you to display, while your World Gift helps people in a poor community around the world to transform their lives.
