EVENTS & PROGRAMMING

EAST ROOM EVENTS
AT A GLANCE

Access a full calendar of events and programming exploring music, art, design, and entrepreneurship. Individuals and teams can enjoy happy hours, musical performances, art installations, and more across all of our East Room locations.

LUNCH HOUR

Lunch Hour is a monthly programme that introduces members to the food and culture of Toronto's diverse restaurant scene. Learning about the talented chefs who fuel some of the best and brightest restaurants in the city and local neighbourhood we inhabit. Learning their approach to food while sampling some of their delicious gastronomy.

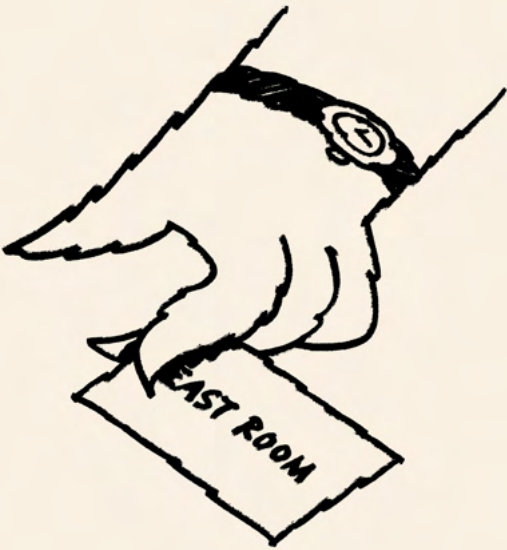

HAPPY HOUR

A monthly programme that connects our solo members, to small teams, to enterprises, all under the same roof. Members will have the ability to meet new and existing members in an after hours setting. Complimentary food and beverages are provided for members to enjoy.

Design Hotels sought out East Room for a workspace that not only reflected similar merit, but allowed their team to tap into a local market, or connect with a community which provided the opportunity to create something new.

Pascal Frey, Design Hotels

East Room offered the opportunity to gain access to a community of people from all different backgrounds and expertise, the ability to collaborate and attain support from all directions, to advance in their technologies, creative processes, and overall efficiency.

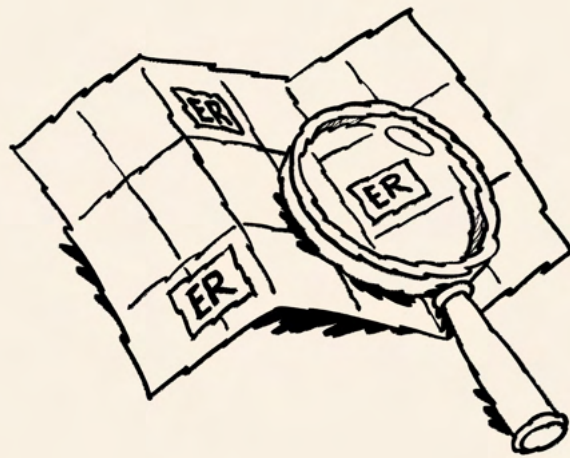

Lisa Zahn, ECCO Shoes

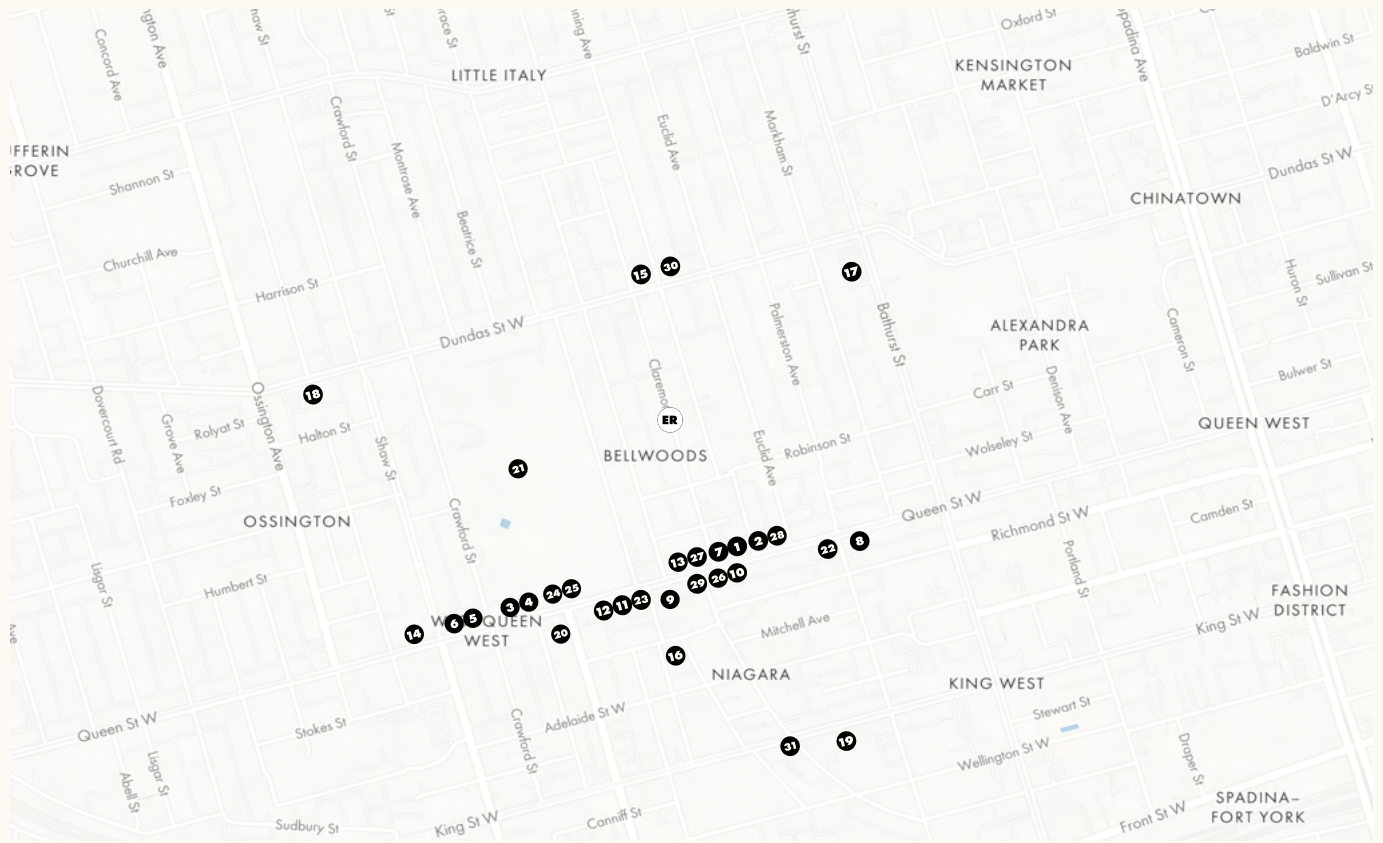

With an initial draw to East Room for aesthetics and a space that visually aligned with their brand, KOTN found more than one reason to stay connected within the East Room community.

Mackenzie Yeats, KOTN
