AN ENDURING COMMITMENT TO

Safeguarding Africa’s wildlife & wilderness

SINGITA IS A CONSERVATION AND ECOTOURISM BRAND THAT HAS BEEN HELPING TO PRESERVE AFRICA’S UNTOUCHED NATURAL SPACES FOR ALMOST THREE DECADES and we offer guests exceptional safari experiences at 15 award-winning lodges and camps across four countries. In partnership with non-profit Funds & Trusts who implement strategic conservation projects in each of the regions in which we operate, our 100-year purpose is to preserve and protect large parts of African wilderness for future generations.

We are steadfast in our commitment to protect unique ecosystems, help recover critically endangered species and ensure no further extinction, benefit neighbouring communities under our care, and contribute positively to the reduction of GHG emissions through our climate commitments.

Travellers choose to stay at Singita because of the expansive space and beauty of our remote locations. They value the restorative serenity of these pristine wilderness areas, as well as the limited guest and vehicle numbers, extraordinarily consistent game viewing and exceptional & intuitive care that is taken of each guest during their stay. When they depart, they are transformed for life and deeply moved by their connection and contribution to the legacy of this continent.

CONSERVATION as a way of life

SINGITA HAS BEEN CHAMPIONING CONSERVATION IN AFRICA FROM ITS INCEPTION. The critical conservation work we carry out with our non-profit Funds & Trusts is aimed at restoring, enhancing and protecting the biodiversity of the ecosystems under our care. Our sustainable conservation model helps to balance tourism in all of the regions in which we operate.

SINGITA LOWVELD TRUST

In South Africa, the Singita Lowveld Trust manages a wide range of conservation projects in Singita Sabi Sand and Singita Kruger National Park – from anti-poaching initiatives to wildlife research & land management, sustainability efforts and community developments projects such as early childhood development, digital learning and a world-class culinary school.

WELCOME TO

Singita Ebony Lodge

SINGITA EBONY LODGE IS SET ON THE BANKS OF THE SAND RIVER IN SABI SAND AND OFFERS A FRESH AND CONTEMPORARY INTERPRETATION OF CLASSIC SAFARIS. The lodge combines the romance of a tented camp and bush lodge, and the interiors – inspired by the adventure and charm of old-world explorers’ camps – seamlessly incorporate polished wood and natural fibres in cool tones. All these elements are brought to life by the rich, golden glow of vintage brass, hand-woven baskets, khaki canvas and exposed thatch.

Each of the 12 luxurious suites includes its own private plunge pool and expansive decks. Almost all external walls have been replaced with glass and canvas to optimise views and space. The decks, which are perfect for leisurely dining and relaxing, are suspended off the river banks, allowing guests to be fully immersed in nature.

Weather and temperature

BEST TIME TO GO ON SAFARI

Southern Africa is a year-round destination. Traditionally the dry winter months (April to October) are best for game viewing, due to the shorter grass, lack of foliage and the absence of water which forces the game to concentrate around the remaining sources of drinking water. Annual rainfall, usually in the form of short afternoon thunder showers that clear up within an hour, occur from December to March. Many species give birth to their young around the start of the rainy season which is when the the bush comes alive with newborn animals.

AVERAGE SEASONAL TEMPERATURE RANGES

SPRING (Sept – Nov)	SUMMER (Dec – Feb)	AUTUMN (March – May)	WINTER (June – Aug)
Low 20 °C / 68 °F High 30 °C / 86 °F	Low 23 °C / 73 °F High 38 °C / 100 °F	Low 22 °C / 72 °F High 31 °C / 88 °F	Low 18 °C / 64 °F High 29 °C / 84 °F
