2022-2023 Report to the Community

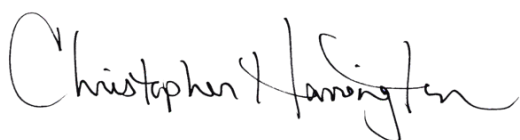

Undoubtedly the best part of the 2022-2023 season was welcoming 193,000 people through the Ordway doors. Seeing the Music Theater and Concert Hall filled with audiences ready to share a few hours together experiencing the joy and singularity of a live performance was powerful. And the fact that audiences returned again and again for shows that ran the gamut from the Ordway-produced Disney's *Beauty and the Beast* to bagrockers the Red Hot Chili Pipers to leading Minnesota artists Nachito Herrera and Grammy Award-winning ensemble Sounds of Blackness underscored that the Ordway truly has something for everyone.

Throughout the school year, students and educators from around Minnesota made their way to the Ordway for matinee performances programmed with them in mind. Along with in-school artist residencies, the Ordway YouTube channel, and the Flint Hills Family Festival, 35,000 schoolchildren had an Ordway experience of their own. Now in its 22nd year, the Family Festival engaged 200 Minnesota artists for 40 performances and encouraged children and their loved ones to celebrate imagination and creativity.

The launch of GreenRoom, a paid fellowship created by BIPOC artists to center and uplift underrepresented communities within musical theater, marked a new and exciting way to engage and empower emerging artists.

All this and more made up the 2022-2023 season at the Ordway. And all of it was possible because of your generous investment through contributions, ticket purchases, and overall involvement. You are at the heart of what we do at the Ordway, and we are grateful for your continuing partnership. Thank you.

2022-2023

A Letter from the Board Chair

The 2022-2023 season at the Ordway was filled with a wide variety of programming, and all of it was made possible thanks to the support and generosity of the individuals and organizations listed in this Report to the Community. Through their contributions, both big and small, they have played an indispensable role in bringing the magic of the arts to life.

From Disney’s *Beauty and the Beast*—the 2022 enchanting holiday show boasting Twin-Cities based artists—to the up-and-coming talent nurtured through GreenRoom, to the students and teachers who journeyed to the Ordway from their communities around the state, all aspects of live performance at the Ordway were uplifted and made better by donors’ philanthropic investment.

The future of the arts is brighter thanks to the engagement and participation of so many people who believe in the power of the arts. Thank you for helping us enrich lives, inspire creativity, and provide a transformative experience for all who come through the Ordway’s doors.

Patrick Garay-Heelan | Board Chair

Pioneer Press

More than 52,000 people stepped into an enchanted world with Disney’s *Beauty and the Beast* during the 2022 holiday season.

The Ordway production of the beloved Broadway musical came to life with incredible Minnesota talent both on and off stage. The Ordway was also delighted to invite more than 3,000 students to experience the “tale as old as time” at special matinee performances.

ARTS EDUCATION AT THE ORDWAY

The 2022-2023 school year saw the steady return of students and educators to in-person performances at the Ordway after several years of primarily virtual programming. Over the course of the season, **190 schools** purchased a total of **22,067 tickets** to **23 school performances!**

And engagement didn’t just happen in the Ordway venue. Through artist-led workshops, free online lessons, and special classroom sessions, **24 Beyond the Stage Artists** connected with schoolchildren and teachers to help enrich and enhance lessons with creativity.

“Thank you so much to all of the donors who make this experience possible for my students. The impact is so far-reaching. You are making a difference in the lives of so many.”

GreenRoom

In April 2022, the Ordway launched a first-of-its-kind educational program: GreenRoom.

This fellowship is a paid, intensive training program created by Black, Indigenous and People of Color (BIPOC) artists to center and uplift underrepresented communities within musical theater.

The 2022 program was open to Minnesota actors, dancers, and singers who were 18 years and older and interested in expanding their performing arts skills into musical theater. Throughout the six-week program, the 10 selected fellows combined collaborative, experiential learning with 1-on-1 mentoring and coaching.

This inaugural season was made possible by support from the John S. and James L. Knight Foundation.

The 2023 Flint Hills Family Festival welcomed 20,000 children and their families from across the region into downtown Saint Paul to experience incredible performances of music, dance, theater, storytelling, and hands-on art activities.

The event included low-cost indoor performances by The String Queens, Lightwire Theater and The ReMINDers, as well as 40 free outdoor performances from 200 different local artists. The event also included free kid-friendly art making activities, food trucks, and public art in and around the Ordway, Landmark Center, and Rice Park.

For over 20 years, the Flint Hills Family Festival has brought communities together through the power of the arts. The annual event has welcomed over a million students, teachers, and families since it began in 2001.

Forever Neverland

ORDWAY GARDEN GALA

JUNE 22, 2023

Upon arriving at the Ordway Forever Neverland Garden Gala, hundreds of guests found themselves transported to Peter Pan's Neverland.

The event featured a live auction, songs from the Ordway's Broadway @ the Ordway series, and festive games to channel everyone's inner child. The evening also celebrated Honorary Chair Rosa Miller for her outstanding commitment to arts and culture in our community.

This year's event raised more than \$557,000 to support the Ordway's wide range of artistic offerings, including education programs that ignite imaginations and leave a lasting impact on thousands of schoolchildren. Proceeds from the event also benefited the Arts Partnership—Minnesota Opera, Ordway, The Saint Paul Chamber Orchestra, and Schubert Club—and their collective ability to maintain the Ordway venue and connect all members of our community to the performing arts.
