Ducati Smart Jacket

Maximum safety and great comfort thanks to the **Ducati Smart Jacket** fabric sleeveless vest with integrated airbag. A light and ventilated item that can be worn on or under the biker's jacket with protectors, for further safety. The D-air stand-alone airbag system is water-resistant, it does not require cables and connections with the bike and is made with an exclusive, Dainese-patented bag that thanks to a micro-filament structure ensures consistent and controlled inflation, while offering the same level of protection in every area of this vest.
