Return Policy

Founded in 1988 by Frank P. DeLarzelere III, Billions and Trillions Inc. has grown into a worldwide mail order business. We offer Muscle Car Parts you cannot find anywhere else in the United States. We strive to have the highest quality parts available. Billions & Trillions does not sell MINT or PERFECT Show Quality Car Parts. Contrary to popular belief, we do not work for free. For this reason, our prices are not the lowest you will find. If you decide to change your mind because you have found the part cheaper somewhere else such as eBay, we do not price match our competitors or give refunds for the difference. Once Billions & Trillions starts working on your order, we do not cancel orders. If you ask to restore two fenders and then change your mind next week, we also will not give a refund. In case we have sent you the wrong part or is our mistake, we guarantee 100% to rectify and correct the problem immediately. For the reason that we work 12-14 hours a day restoring used Muscle Car Parts, we simply do not give refunds. When re-conditioning 40 and 50 year old auto parts, nothing is perfect. We do not sell perfect car parts. Our parts are of the highest quality we can find. Billions & Trillions can re-chrome your bumpers to street or show quality (please specify when ordering). Billions & Trillions also has a chrome shop where you can have your stainless steel and aluminum straightened, polished and refurbished. Billions & Trillions can also weld any type of metal including cast, pot metal, aluminum, stainless steel, and plastic. If you have a rare plastic grill, we can recondition it to the best of our ability. As you can see, the majority of our parts are in very good condition and/or have been reconditioned to the best of our ability. The parts selection at Billions & Trillions Inc. is second to none. If there is a problem or mistake we have made with your order, please call us before shipping anything back to our warehouse. Any unexpected returns will be refused by our company. Give us a call at 918-291-1966.
