The Datsun Heritage Museum will be up and running shortly, we anticipate a ~~Grand Opening Week-end during September 12/14, 2008.~~

This date will coincide with the 99th birthday of Mr. K who asked us to build this museum in his name here in the USA.

Of course we prefer certain types of Datsun products to assure that the public may enjoy them during our opening. Your Datsun 1978 280Z Black Pearl fits that category, if you would allow us to exhibit your Black Pearl for several months and during the ceremony, we would be deeply grateful.

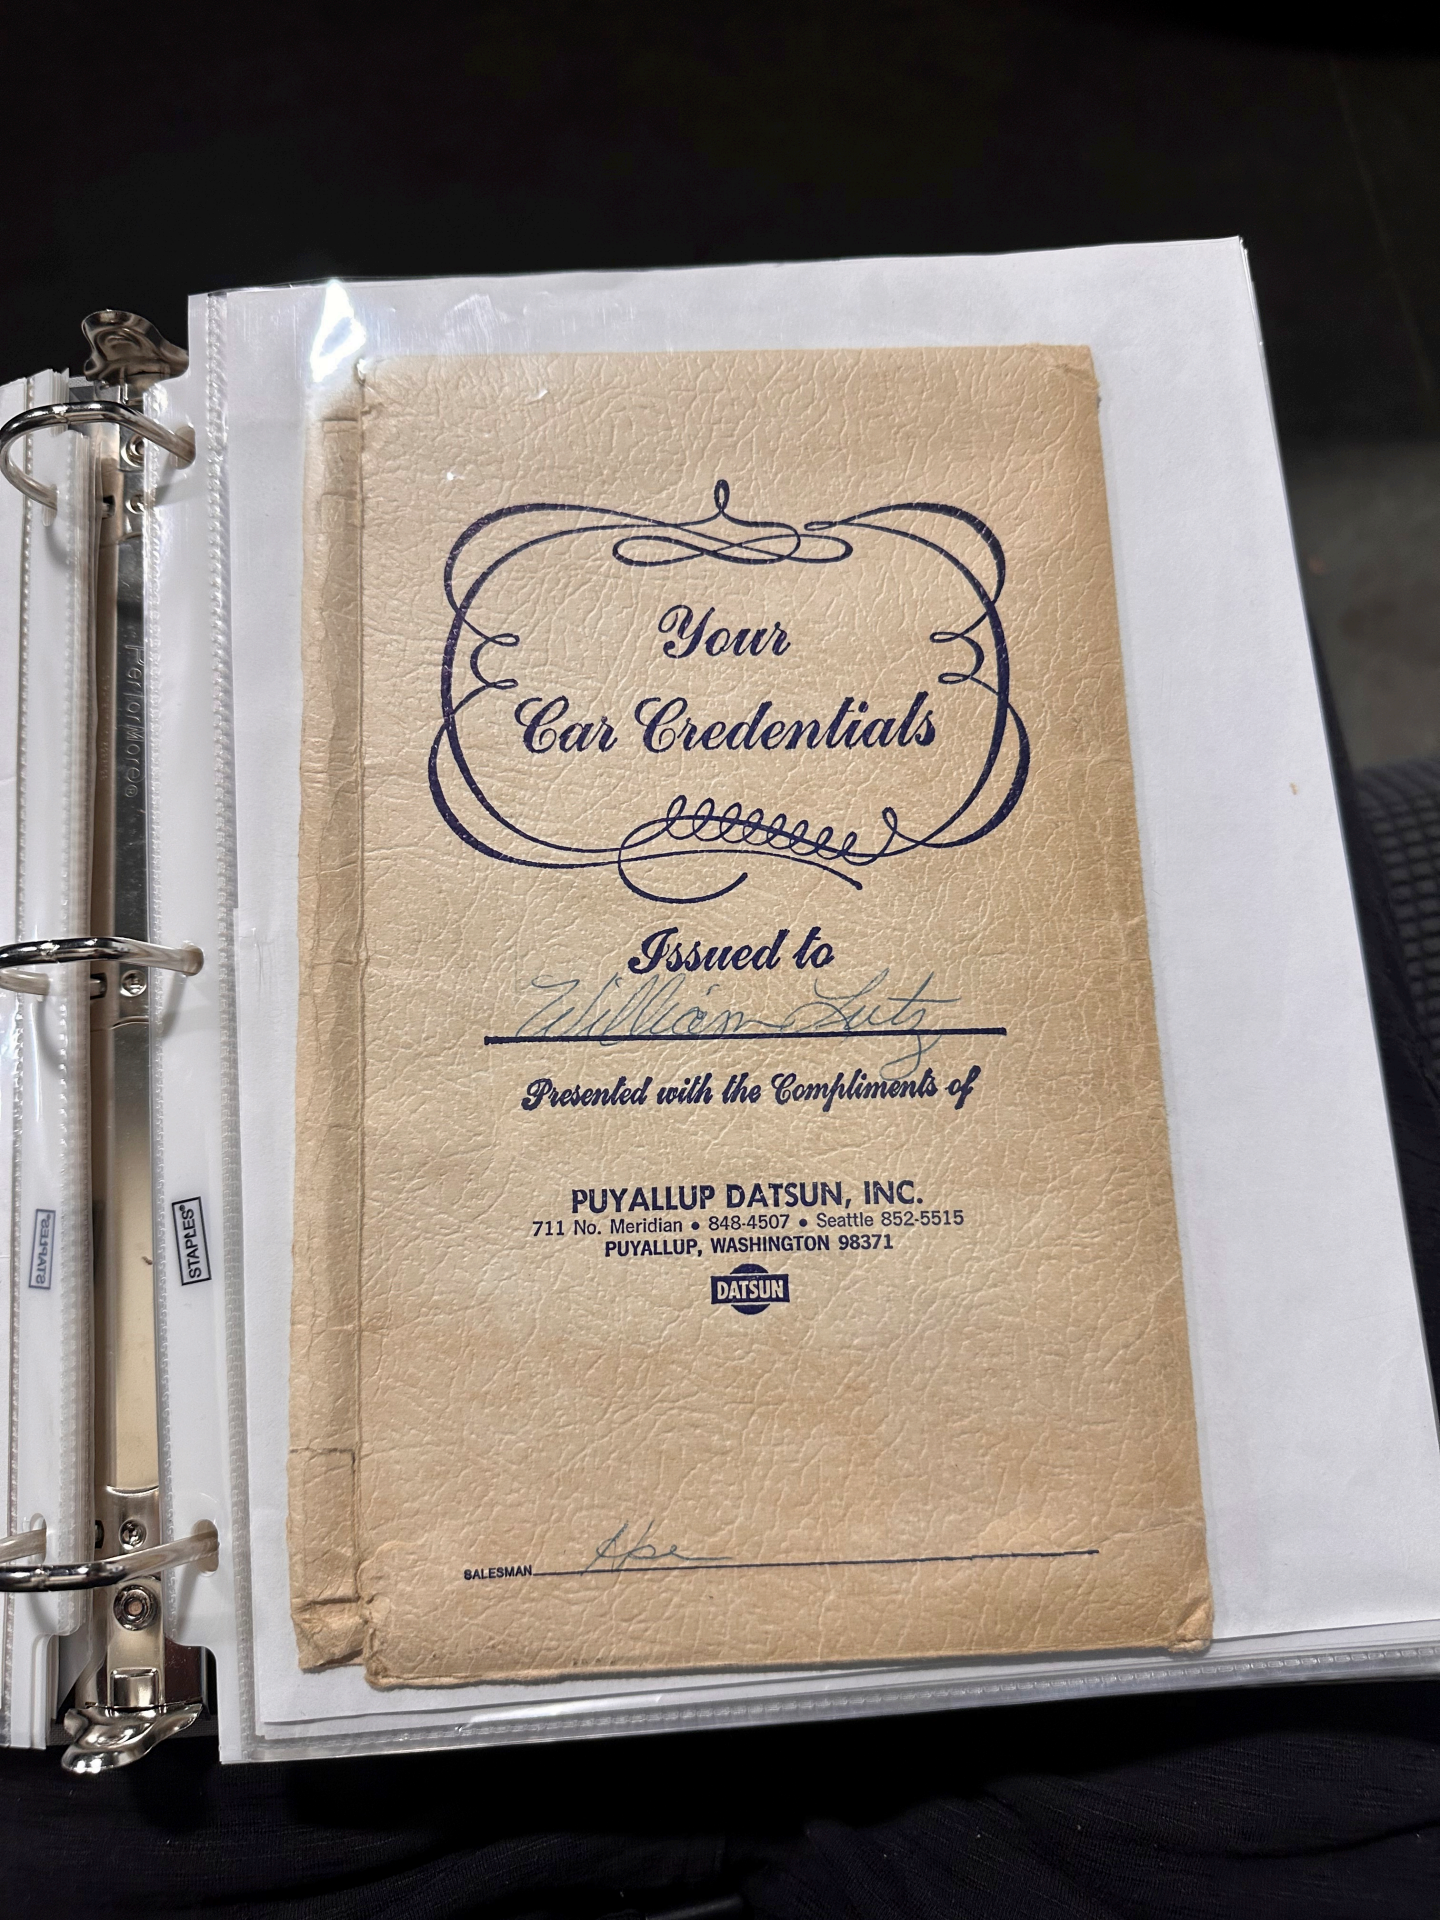

We feel your Black Pearl is an excellent example of that type Datsun. We are getting large publicity during that time that will cover just about every avenue. So your Black Pearl would receive adequate exposure.

If this fits in with your schedule please at your earliest convenience inform me as to your participation in this world wide event.

Sincerely,

Fred Jordan

VEHICLE INSPECTION REPORT

STATE OF CALIFORNIA C- 0925265

OFFICIAL VEHICLE INSPECTION CENTER

Your vehicle inspection results (pass/fail) are shown in the final inspection results box below. The boxes showing ECS Failure and Exhaust Emission Analysis Failure indicate the failure code number(s). An indication of the probable cause of failure can be found on the back of this report. The reject box will have a printed message to show why your vehicle cannot be inspected.

If your vehicle fails for excessive exhaust emissions or inoperative emission control systems, you must have it repaired. After repair be sure that the mechanic has completely filled out the back side of this form then return to the inspection center for a reinspection. This form is an official record and it will be collected and retained by the inspection center. If your vehicle passes reinspection, you will receive a Certificate of Compliance. If your vehicle fails reinspection you may receive a Certificate of Waiver -- **only if the repairs were performed by a state qualified licensed installer in a state licensed motor vehicle pollution control station (Blue Shield).**

Note: Waiver information, including repair costs limitations, is contained in the consumer handbook available at the Department of Motor Vehicles or Inspection Centers.

EMISSION CONTROL SYSTEM (ECS) RESULTS

K. Failure of NOx system or components.
L. Failure of catalytic converter or related emission control system components.

EXHAUST EMISSION ANALYSIS RESULTS

1. Excessive smoke
2. Perform low emission tune-up adjustments
3. Idle RPM excessive
4. Idle air/fuel mixture rich
5. Misfire at idle
6. Cruise air/fuel mixture rich
7. Misfire at cruise
8. Excessive NOx emission at cruise

INTERNAL

THIS IS TO ADVISE YOU THAT SOME EMISSION CONTROL DEVICES MAY STILL BE COVERED UNDER MFG.'S WARRANTY.

BY LAW, YOU MAY CHOOSE ANOTHER LICENSED SMOG CHECK FACILITY TO PERFORM ANY NEEDED REPAIRS. IF YOUR VEHICLE DOES NOT PASS THE SMOG CHECK TEST, INDICATIVES ARE NECESSARY.

I hereby authorize the above repair work to be done along with the necessary material and hereby grant you and/or your employees permission to operate the car, truck or vehicle herein described on streets, highways or elsewhere for the purpose of testing and/or inspection. An express mechanic's lien is hereby acknowledged on above car, truck or vehicle to secure the amount of repairs thereto. You will not be held responsible for loss or damage to vehicle or articles left in vehicle in case of fire, theft, accident or any other cause beyond your control. In the event an attorney is retained to foreclose this lien or to bring suit for collection or any sums due, I agree to pay costs of collection and reasonable attorney fees.

The Dot Datsun Pro Team Guarantee of Satisfaction

The first guarantee written from *your* point of view — the customer's

At Dot Datsun we make it *impossible* for our customers to go away unhappy. We *guarantee* in advance that you'll be 100% satisfied with both the work we do and the price you pay.

1. Before any work starts, we tell you exactly what's needed and exactly what it'll cost. We guarantee you won't pay one cent more than the amount you agree to.
2. We guarantee we won't do any work you haven't authorized. If we find that additional work is needed, we contact you. We don't go ahead until you approve the additional work *and* the additional cost.
3. Because our Pro Team service system means superior repair work, we guarantee every repair job for six months (or 6,000 miles) — not just three months like most places.
4. If, at any time during those six months or 6,000 miles, you have to bring your car back because of faulty repair materials or workmanship, we fix it. *Period.* You don't pay us one cent extra.

This Guarantee is as fair as you could ask for. It's legally binding on us. It takes all the risk out of getting your car repaired. It's the reason our customers keep coming back.

We truly appreciate your business and we want you to be happy with our service. So please *use* this Guarantee. Keep it in your glove compartment at all times. If you ever have a problem, bring your repair bill and Guarantee to our Service Department and we'll honor it *immediately.*

If full payment is not made as per agreement, PJI has the right to repossess the vehicle and retain possession until all charges including repossession fees are paid. Dealer not responsible for unavailability of parts or delays in parts shipments beyond dealers control nor for loss or damage to vehicle or articles left in vehicle in case of fire, theft or any other cause beyond our control.

This estimate is based on our inspection at this time and does not cover additional parts or labor which may be required after the work has been started. After the work has started, worn or damaged parts which are not evident on first inspection may be discovered. This estimate cannot cover such contingencies. In cases where additional work is deemed necessary, customer authorization will be secured prior to commencement of that additional work. This estimate expires 15 days from date.

I AUTHORIZE REMOVAL, INSPECTION AND REASSEMBLY AS NECESSARY TO DETERMINE THE CONDITION OF INTERNAL PARTS, INCLUDING BRAKE COMPONENTS, AT NO CHARGE.
