Reference: April Progress Report

Dear Steve,

This is your April progress report and a reconciliation of payments and services provided through April 30, 2005. You have paid for the new car in full, \$6000, and PMA has completed the services promised in December 15, 2005 contract. (See contract and photos enclosed.)

Since our original agreement you have requested other services beyond our original agreement, i.e. two liter engine, new top, re-plate/repair hinges, radio block out slate, rebuild transmission, new seats, etc. Here are the details:

Items Ordered

Cost

1. Two litre Alfa Romeo engine	\$1000
2. Two newly upholstered seats	\$300
3. Radio block out plate and dash	\$300
4. One new tan cloth top (not installed)	\$500
5. Registration fees and title transfer	\$82
6. Rebuilt 5 speed transmission	\$800
7. Repair/re-plate 4 hinges	\$200
8. Installation of cloth top	\$300
9. Weber intake manifold	\$300
10. Used Weber DCOE 40mm carbs (set)	\$700
11. Linkage gas line, etc, for Webers	\$200

Total to date of items	\$4682
Purchase of restored chassis	\$6000
Total	\$10682
Paid through April	\$8000
Less credit 1600 engine core	<\$300>
Net due PMA	\$2382

\$382

Ad 2000
5/14/05

Items to consider:

1. Carpeting - PRICE?	\$400
2. Custom 2 litre headers (10 + HP) - ?	\$450
3. New clutch package INCLUDES WHAT?	\$275
4. Conversion motor mounts	\$200
5. Conversion through out bearing	\$150
6. Stainless steel exhaust system → vs. rec #	\$400
7. Flywheel conversion ring gear — SMITH?	\$175
8. New brake lining	\$200
9. New battery	\$80
10. Replace tire and tube - ? PRICE	\$150

JOHNNY FRAM

12

Merchant
Term 10

11. Miscellaneous electrical, fuses etc.	
12. Carburetor air horns	\$150
13. Cold air box, filter etc.	\$175
✓ -14. New Koni shocks (set 4)	\$150
✓ -15. Labor to install engine driveline, seats etc. 15 hours @ \$60	\$300
	<u>\$900</u>
Total	\$4155

There may be other options to consider as we complete final stages of your project. I will keep you posted. PMA will provide you an appraisal for your completed car for \$25,000 for insurance/resale purposes. Thanks for your business Steve.

Best Regards

Al Leake

Since 1981

July 13, 2005

Muir Beach, CA 94965

Reference: June Progress Report

Dear Steve,

Here are your near perfect 1963 black license plates. You need to take them to DMV for clearance and have them match your registration.

The following items are completed or underway on your Alfa this month:

Item	Cost
✓ 1. 1963 California plates	\$100
2. Custom 2 litre headers	\$450
3. 2 litre conversion motor mounts	\$250
4. New 12 volt battery	\$90
5. New 5:00 x 15 tire and tube	\$175 - ?
6. Labor to install 2 litre engine	\$900*
7. New gas shocks	\$120* — Konis or other
8. Carpeting	\$400* — ?
	\$2485
Balance due from June	\$232
Total	\$2717

*I have new gas shocks at half price of Konis. Carpeting is your option. Labor will cover installation of engine and running gear.

As we finish final assembly, you may want to consider new chrome on tail light bezels and bumpers. We are saving money on windshield, but your near perfect car may be compromised by less than perfect chrome?

Thanks again for your business, Steve.

Regards

Al Leake

Since 1981

October 21, 2005

Muir Beach, CA 94965

Reference: September Progress Report

Dear Steve,

This will cover expenses authorized during our October 20 telephone conversation. The following items are complete or in process since your last billing (July 13, 2005):

Item	Cost
1. Strip, straighten, chrome and polish both front bumpers and over riders	\$600
2. Two front grill bars	\$150
3. Replacement windshield	\$350
4. Rebuilt starter motor	\$225
5. Weber carburetor mounts	\$66
6. Weber carburetor mount bracket	\$75
7. Weber carburetor linkage assy	\$105
8. Weber carburetor gaskets (8 pcs)	\$30
9. Remote oil filter adapter and hoses	\$125
10. Replace one windshield post	\$50
11. Labor on windshield installation	\$120
12. Used generator	\$250
	<u>\$2146</u>
Balance from July	\$2717
Total	\$4863
Less Credit	\$2000
Amount Due	<u>\$2863</u>

There will be other unexpected surprises, no doubt, but we hope to wrap the project up by November 1, 2005.

Best Regards,

Al Leake

P.S. There are many items we are not billing your for, i.e. weather stripping, molding, etc.

November 9, 2005

Muir Beach, CA 94965

Reference: October Progress Report

Dear Steve,

Thank you for providing the payment reconciliation information. Our records are now current and the following update will reflect your billing status as of November 1, 2005

You will recall during our initial discussions, I agreed to an hourly rate of \$60 rather than our normal \$75 shop rate provided we could use your car as a fill in job. This was based on several factors. First. You were in no hurry, secondly, I had other jobs with short term due dates and finally we both assumed parts from your original car could simply be transferred "as is" to the bare chassis I sold you for \$1000.

Unfortunately, almost nothing was usable "as is". Even your engine and transmission couldn't be rebuilt. The result of this was several months delay in delivery of your engine, which is now here but requires more work and is still missing critical parts. The problems caused by the unusable parts from your original car and the delay in delivery of the engine have been transferred to PMA – in the form of you pushing for completion.

Obviously you are anxious to get your car, Steve, so I have taken people off jobs for which we bill \$75 an hour and focused on your car essentially giving away \$15 for each hour we devote to your project. I will keep my original agreement, but need to bill you for the hours we spent on your car last month. You have complained about previous billings, but to date I have only billed you for the equivalent of three weeks or 124 hours, 66 hours with original agreement and 58 since then, far less than actual time spent through October 1, 2005. Here is the October breakdown:

Item	Hours	Cost
1. Windshield, frame molding, fitting, replace gaskets, trim, etc.	4	\$240
2. Replace side windows, wind wings, door handles repair and rebuild all mechanisms	8.5	\$510
3. Heater. Rebuild motor, replace defroster vents, controls, valves and install complete	6	\$360
4. Windshield wiper. Rebuild motor, repair linkage, arms, blades, install and adjust complete	5	\$300
5. Brakes. Replace master cylinder, bleeder screws, adjusters, repair wheel cylinder.	5.5	\$330
6. Instruments. Clean, repair, install switches, knobs, etc.	5	\$300
7. Dash board. Repair & paint cap, glove box cover, mirror and trim.	4.5	\$270
8. Headlights. Install dimmer switch, buckets, trim, parking	6.5	\$390

lights, fuses, wiring, turn signals, etc.		
9. Wiring harness. Trace all wires, install partial new harness, all lights, instruments, etc.	10.5	\$630
10. Door & ¼ panels. Fabricate new backing panels, trim molding, install new material.	5	\$300
11. Floor insulation. Cut patterns, fit, install, trim seven pieces	4.5	\$270
12. Hood scoop molding. Repair, paint and install.	2	\$120
13. Rear trunk emblem. Repair, replace and install trunk medallion.	2	\$120
14. Wheels and tires. Remove, sand, paint wheels, polish caps, etc.	2.5	\$150
15. Top Bows. Replace, paint, lubricate and rebuild top bows	3	\$180
16. Seat mounts. Fabricate brackets & mounts.	5	\$300
17. Emergency brake. Rebuild, repair cables, linkage etc.	4.5	\$270
18. Engine. Remove oil pan, flywheel, front pulley, oil pump, Install new oil pump, pulley, flywheel clutch assembly, time Engine, mark pulley, etc.	5	\$300
19. Chrome molding. Polish, install side molding, rear cowl door jams, grill, bumpers, etc.	6.5	\$390
Total Hours	95.5	\$5730

20. Radiator. Rebuild complete.	\$150
21. Brown naugahide material	\$125
22. Insulation	\$60
23. New oil pump	\$300
24. Replacement top bows	\$125
	\$760

Reconciliation of Payments:

Total hours billed	219.5	\$13,170
Total parts billed		<u>\$9,871</u>
		\$23,041
		<u><\$20,000</u>
Less Total amount paid		\$3041
Net Due		

This amount includes \$900 for labor to install engine and transmission, which has not been spent should you elect not to complete the project. The 66 hours I estimated to transfer usable parts from your old car has been deducted from the total hours billed for repairs on this bill. Unfortunately, out sourcing for the tonneau and spare tire cover are not included, but top and carpeting have been paid on previous billings.

Let me know, Steve, what you decide to do. All other items will be completed this week.

Best Regards,

Al Leake

December 15, 2005

Muir Beach, CA 94965

Dear Steve,

We had hoped to deliver your car as a Christmas present. Unfortunately, out sourced labor, engine modifications and parts issues caused delays. So "Blanca" will have to be a New Years gift.

The upholstery shop finally got the car done last Friday. The interior looks great as does the top, but it fits loosely and looks saggy. The shop didn't know how to adjust top frame so we will do it here. The modified oil pump was also finished on Friday and the builder said the engine would have had no oil pressure with Bill's pump.

We installed the new pump, new pan, starter shim ring, correct front pulley, modified engine cover to accept an early generator, new fan belt, modified the intake manifold to accept your heater ports, etc. All the above items Bill Smith asked me to bill him directly. I will let you guys figure it out.

The good news is this will be your last progress report! So here is the breakdown.

Item	Hour	Cost
1. New top	0	Paid
2. Install top	8	Paid
3. New carpet	0	Paid
4. Cut and trim carpet	1.5	\$90
5. Install carpet	2	\$120
6. New oil pump	0	Paid
7. Remove pan, R & R on oil pump, flywheel, front pulley, starter ring	4	\$240
8. Modify engine to run early generator	2	\$120
9. Modify intake manifold to accept heater ports	2	\$120
10. Modify distributor	2	\$120

Since 1981

11. New AM/FM cassette, radio installed in glove box	2	n/c
12. Used Bosh distributor	0	<u>\$75</u>

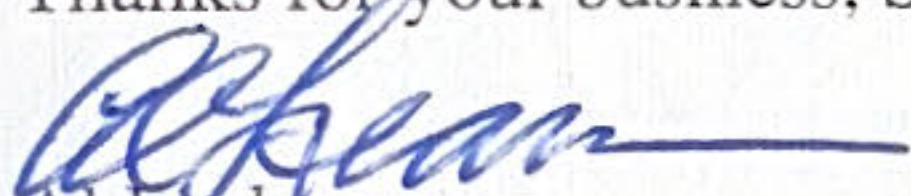

Total \$885

Balance from November \$1041

Total Due \$1926

We are disappointed in this final report too, Steve. We had hoped to deliver the car this month. We are closed for the holidays from December 1 through December 31, 2005, so we will plan for the first or second week of 2006. 19

Thanks for your business, Steve. Merry Christmas and Happy New Year.

Al Leake

P.S. AM/FM cassette radio is a Xmas gift from PMA

February 1, 2006

Muir Beach, CA 94965

Reference: Final Progress Report - 1963 Alfa Romeo

Dear Steve,

Well, we finally made it. This will be your last report and billing for the Alfa Romeo! You should treat the car like a new purchase, i.e. torque the head at 1,000 miles, time engine, change oil and a general service by Wes Conklin. I'd make a list of items as you drive the car for the initial 1,000 mile check up!

Two people worked on your car for almost two weeks and you prepaid for three days (24 hours) for engine installation. However, I am not charging for all the time involved. So here is the breakdown.

Item	Hours	Cost
1. Install engine and fit	15	Paid
2. Install electrical fuel pump	2	\$120
3. Install heater vent hoses	1	\$60
4. Install distributor and time engine	1	\$60
5. Adjust ride height. Remove springs & shim	2.5	\$150
6. Remove & install new carbs	2.0	\$120
7. Fabricate header heat shield	1.5	\$90
8. Install exhaust system	2	\$120
9. Fabricate & install air filter canister	2	\$120
10. Install cold air box and cam cover	2.5	\$150
11. Install battery tie down	.5	\$30
12. Lub chassis and service	1.5	\$90
13. Remove & clean gas tank	1.5	\$90
14. Labor	35	\$1200
Parts & Purchases		
15. New electric fuel pump		\$59
16. New battery hold down		\$14.90
17. Fuel line & hose clamps		\$15.84
18. Six quarts Kendall 10/40 oil		\$13.86
19. Radio antenna		\$17.26
20. Anti freeze, fuel line & clamps		\$18.30
21. Throttle return spring		\$2.99
22. Hose clamps		\$2.75
23. Weather stripping, glue, etc.		\$30.70
24. 3" heater/vent hose		\$33.84

25. Transmission boot hose clamps	\$7.73
26. Two new Weber DCOE 151 carbs*	\$770.00
27. Oil filter	\$6.34
28. Vacuum tubing radiator	\$19.82
29. Hose fittings	\$10.30
30. Muffler hanger	\$5.84
31. Gear lube 1 qt.	\$4.94
32. Transmission fluid 2 qt.	\$15.60
33. Oil ring Weber carbs (4)	\$3.16
34. Weber barjo filter, center support bearing, air filter hose, air box	\$206.00
35. Radiator cap	\$9.97
36. Shift boot O ring, fuel inlet	\$70.00
37. New clutch throw out bearing	\$145.50
38. Throw out bearing clips	\$15.00
39. Keys made for trunk	\$30.00
	<u>\$1529.64</u>
40. Used Weber carbs (\$100 restocking)	
	less credits <\$600.00>
	Net New Parts \$929.64
	Sales Tax \$79.05
	Total Parts \$1008.69
	Labor \$1200.00
	\$2208.69
	Balance from December \$1926.00
	Net Due \$4234.69

Even though the final cost about doubles what you may have expected, it is well under the \$30,000 estimate I make on the appraised value of your car. Plus, I did not bill you for at least 40 hours of labor (\$2400) and didn't mark up any of the parts on this bill. We appreciated your business, Steve, and hope you enjoy your little white Italian roadster.

Best Regards

Al Leake
