Thank you for your purchase!

Hi Jerry, we're getting your order ready to be shipped. While we are doing our best to ensure the fastest shipping and delivery, your order may take time if you placed an **"out of stock, preorder or made-to-order"** product. If you have placed an order for an out-of-stock item and need the rest of your order by a specific date, let us know by email so we can set up split shipping. Please be mindful of our small team and wait 2-3 business days before reaching out for an order update. Order updates require a lot of time and effort from our

already small team and pull them away from shipping your orders. We want to dedicate as much of our time in producing and shipping your orders out as quickly as possible. Thank you for your understanding.
