WHAT IS HELY FOR BUSINESS

TRAVEL EASILY WITH SHARED MOBILITY FOR BUSINESS

SHARED MOBILITY FOR BUSINESS

Forget about expensive vehicle parks and long lease contracts. With a Hely For Business account your company gets access to every type of shared mobility from the Hely Hub.

CENTRAL APP

Reserving a car, unlocking all vehicles and getting in contact with the helpdesk is all done in the Hely app. This way, you always have everything on hand.

EASY ADMINISTRATION

You receive one clear invoice each month of the subscription and usage costs of all members in your business account. Expense claims and extra administration is no longer necessary.

WHY HELY FOR BUSINESS

WITH HELY YOU TRAVEL SMART, FUN AND SUSTAINABLE

FLEXIBLE

By getting to choose between various shared vehicles you stay flexible. For example, take an e-bike to get to the city faster and grab a car when the train is delayed.

SUSTAINABLE

With shared mobility you decrease the ecological footprint of your company and you contribute to a healthier work and living environment.

SIMPLE

Driving, booking and locking: the Hely app is the only thing you need. This way you don't need to hassle with keys or cards and you always have everything on hand.

CONVENIENCE

Everything is taken care of: insurance, maintenance and fuel. You receive a clear invoice for your whole account.
