CROCKER
art museum

CROCKER BALL is the premier social event of the Sacramento region. Typically a sold-out affair, this black-tie fundraiser gathers over 350 philanthropists and community leaders from Sacramento, the Bay Area, and the Napa Valley. Crocker Ball features a cocktail reception in the Museum's historic ballroom, an exquisite dining experience, and an afterparty with late-night bites and dancing.

An eagerly anticipated highlight of the event is the lively auction of coveted items and experiences. Past auction items have included a five-star trip to Paris for Fashion Week, complete with seats on a designer runway; an exquisite Cartier timepiece and private tour of the Cartier Mansion in New York City; and vacation stays at private international estates.

Now in its seventh decade, Crocker Ball helps the Museum connect people in unexpected ways with art, ideas, each other, and the world around them. Funds raised help provide thought-provoking exhibitions and meaningful

art experiences to thousands of students, families, seniors, and community members. The Museum's many free and low-cost programs would not be possible without the generous support of our Crocker Ball sponsors and supporters.
