A SPIRITUAL AND FINANCIAL PUSH

THIS GUIDE BELONGS TO

10 IN 10 YEARS

In April 20, 1961, newly elected President John F. Kennedy asked Vice President Lyndon B. Johnson what it would take to beat the Russians in the space race. Eight days earlier, the Soviets had put the first man in outer space and repeatedly outpaced the Americans in every phase.

In a memo to Johnson nine days later, the United States' top rocket scientist determined that the U.S. would likely lose to the Russians on all the logical next steps in space exploration. The Soviets were just too far ahead.

The memo also stated, however, that if the U.S. stopped competing with the Russians in the near term and instead **pushed toward something far outside the realm of immediate possibility**—something that required immense will and commitment to attain—it could retake the lead before the end of the 1960s.

To win the space race, the U.S. had
**TO COMMIT & PUSH
TO LANDING A MAN
ON THE MOON.**

Scientists estimated that getting to the Moon would require a **10X increase in rocket technology**. But the U.S. could do it, as long as it stopped approaching these efforts as a peacetime program and instead intensified them to a wartime level.

It meant the U.S. had to **reimagine its plans and processes with this new vision in mind**. It had to double the strength of its current infrastructure. And it had to invent entirely new technologies and capabilities that had **never been thought of as possible**.

Less than a month later, in an address to a joint session of Congress, President Kennedy set a national goal of landing a man on the moon before the end of the decade.

Eight years later, the U.S.
landed ON THE MOON.

The Russians never made it.

Getting there required the efforts of almost 400,000 people working together **toward this common vision**. Men, women, Black, White, Asian, Hispanic, young, old, astronauts, mission controllers, contractors, janitors, programmers, fabricators, professors, mathematicians, caterers, engineers, and hundreds of other types of people **all doing their job to make it happen**.

We are also in a race, but this race is to see God
**SAVE
AS MANY PEOPLE
AS POSSIBLE.**

We have an enemy. But our enemy is not flesh and blood. Instead, it is the spiritual forces of evil that rule this world. (Ephesians 6:12)

And our job in this fight is to partner with God so that his will is done

"ON EARTH AS IT IS IN HEAVEN."

////////// MATTHEW 6:10

Most measures, however, say we are not winning. Depression, suicide, divorce, loneliness, and mental health issues are all rising. The world is controlled by those dark forces, and they are consuming our neighborhoods. And though large by church standards, the 50,000 people who make up Crossroads today pale in comparison to the growing onslaught.

We need an Awakening — a tide-shifting move of God seen at various times in history. Every Awakening shares a common beginning: a group of people with immense will and commitment, willing to put forth a wartime level of effort to PUSH past the boundaries of the "possible" to witness the impossible: entire cities and nations brought to faith.

To pursue the dream of an Awakening in our nation and win this race against these dark forces, will also require a **10X** increase in our power and effort in the next ten years.

While 50,000 people connected to Crossroads won't move the needle, 500,000 people can begin to flip the stats and see real change.

To achieve **10X IN 10Y** is a moonshot. It requires Crossroads to rethink all of our systems and processes to build for that goal. It demands we all look underneath the hood (or nose cone) to what is holding us back from giving our whole lives to God. A moonshot not only starts within our own buildings, but within our own hearts.

What if God isn't done with you?

What if He has **10X** more hope, joy and purpose for you than what you've experienced up until now? In this Push, all are welcome and all are needed to reach such a destination.

In **Isaiah 54:2-3**, God tells his people to do two things. **1.)** They are to strengthen their foundation, and **2.)** They are to expand their territory so they can heal the world.

**Our call is still the same today:
Strengthen. Expand.**

We must **strengthen** our foundation to achieve this 10X moonshot. And we must attempt things that have never been done before in ministry but have the potential to **expand** wide and get us to our moon.

THIS WILL BE HARD.

But we do hard things.

THIS WILL TAKE PATIENCE.

*But we can hit the same nail
time and time again.*

**THIS WILL REQUIRE
BOLD THINKING.**

*But we've already earned the right
to win in high-potential areas.*

**THIS REQUIRES A GIANT
PUSH TO GET GOING.**

THAT STARTS NOW.

COMMITMENT WEEKEND

W
K
6 90

If you've been around Crossroads for any amount of time, you may have heard the term "Journey" or "Campaign." These are more intense teaching series in which the entire community commits to attending or watching every weekend, participates in individual guided challenges, and often meets with a small group to unpack and process what God is saying to them. Many times, there is a communal action at the end where we all come together to do what God tells us to do.

This 10X Push has a similar level of intensity, but instead of five weeks and done, it is a major push into the next ten years at Crossroads. It will push your faith to levels you may have never thought possible, and will culminate in our community making financial commitments toward initiatives aimed at widespread transformation. It's the first push toward what we pray is a deeper spiritual awakening in you, your church, your cities, your nation, and your world.

Wait...what's that about a "FINANCIAL COMMITMENT"?

Yes, all 10X Push participants will have the opportunity to make a three-year financial commitment above and beyond our regular giving to Crossroads. The history of Awakenings shows that there is a cost someone must bear and that includes financial. NASA had no hopes of fulfilling their vision without more resources and we don't either. This will provide the initial funding to go after the ten-year vision that God has given our community. But that's nothing to be concerned about right now. There are no expectations; we only ask that you listen to God and let him lead you in this Push. We trust Him to show up and provide as long as we are all willing participants in the journey.

WHAT DOES IT MEAN TO SAY YES TO THE 10X PUSH?

Following God is an adventure. Astronauts get strapped to a rocket and put their complete trust in the engineers behind the technology. As the countdown to launch begins, they're harnessed to their seat, feet off the ground, hands to their side.

Putting your trust in God feels much the same way. And He wants to push you farther than you've ever gone before. **Are you ready for where God might take you? This is what the 10X Push is all about.**

SCRIPTURE REFLECTION

Jesus, a master teacher, was talking to a large crowd. Read His words here:

“ A sower went out to sow. And as he sowed, some seeds fell along the **path**, and the birds came and devoured them. Other seeds fell on **rocky** ground, where they did not have much soil, and immediately they sprang up, since they had no depth of soil, but when the sun rose they were scorched. And since they had no root, they withered away. Other seeds fell among **thorns**, and the thorns grew up and choked them. Other seeds fell on **good soil** and produced grain, some a hundredfold, some sixty, some thirty. He who has ears, let him hear.”

- MATTHEW 13:1-9

A little later, Jesus explained the parable to his disciples:

“ Hear then the parable of the sower: When anyone hears the word of the kingdom and does not understand it, the evil one comes and snatches away what has been sown in his heart. This is what was sown along the **path**. As for what was sown on **rocky** ground, this is the one who hears the word and immediately receives it with joy, yet he has no root in himself, but endures for a while, and when tribulation or persecution arises on account of the word, immediately he falls away. As for what was sown among **thorns**, this is the one who hears the word, but the cares of the world and the deceitfulness of riches choke the word, and it proves unfruitful. As for what was sown on **good soil**, this is the one who hears the word and understands it. He indeed bears fruit and yields, in one case a hundredfold, in another sixty, and in another thirty.”

- MATTHEW 13:18-23

In this parable, the sower is God, the seeds are his words, and the different types of soil represent how open and available we are to what God is saying to us and how likely we are to react to it.

To identify the condition of your soil and what could be standing between you and the life God wants for you:

GO WITHOUT FOOD FOR A WHOLE DAY.

With every hunger pang, thank God for something. Use discomfort to trigger a reminder of the good in your life. Record your observations below.

SERVE AND LOVE////////

One definition of love is giving to others at the cost of yourself. Every time we serve someone else, it costs us something (money, time, pride, etc).

YOUR CHALLENGE THIS WEEK IS SIMPLE: SERVE SOMEONE.

Below are some initial ideas. You can also come up with your own or invite God to highlight someone in your life with a need. Just ensure you complete your challenge in the next few days.

“*Love one another: just as I have loved you, you also are to love one another. By this all people will know that you are my disciples.*

10X GRATEFUL//////////

MAKE A LIST OF TEN THINGS YOU'RE GRATEFUL FOR EVERY DAY FOR THE NEXT FIVE DAYS

Think about the people in your life, your resources, the things you enjoy, your health, qualities of who you are, or who God is. Remember the hard stuff you've been through, too, and how God has helped you through them. Tell God, "thank you." If you're willing to go a step further, write one of these things in the "Gratitude" space in the Crossroads App.

📖 Rejoice always, pray without ceasing, give thanks in all circumstances; for this is the will of God in Christ Jesus for you.

No phone. No music. No nothing. Ask God to meet you in this time. Take note of anything that happens.

02 PRAY FOR NEIGHBORS

PRAY A 10X PRAYER.

A 10X-vision is a dream that our friends and neighbors who have given up on church might come to know and believe the truth that God loves them and has abundant life waiting for them.

Spend at least an hour this week walking your neighborhood and praying specifically that God would bless the people in EACH of the houses, apartments, or condos you pass. *(Try to pray over at least ten places.)*

 *Praying at all times in the Spirit, with all prayer and supplication.*

If you walk by someone, ask if you can pray for them right then and there. Try not to make it weird. Just ask Jesus to meet their need.

CHALLENGES

03 LIVE WITH LESS////////////////////

Have you ever felt like God might be asking you to simplify your life? To simply reduce the amount of physical possessions you have in order to be lighter or have more available resources to bless others? Maybe you've heard of the Marie Kondo method of making piles in your house of things you want to:

1: SELL **2: GIVE AWAY**

3: TRASH **4: CANCEL**

Spend some time with God and ask him to bring things to mind for each category. Write them down. Pray over your list. Follow through and do what you feel like He might be telling you.

“Do not lay up for yourselves treasures on earth, where moth and rust destroy and where thieves break in and steal, but lay up for yourselves treasures in heaven, where neither moth nor rust destroys and where thieves do not break in and steal. For where your treasure is, there your heart will be also.

PRAYER JESUS
TAUGHT HIS
FOLLOWERS:

*"Our Father in heaven, hallowed be your name. Your kingdom come, **YOUR WILL BE DONE, on Earth as it is in Heaven.**"*

— MATTHEW 6:9-10

It's simple in that it's easy to remember. It's difficult in that to pray it honestly, a person must fully surrender and trust God, saying: **"Your will is better than my will, Lord. Your will be done."**

A revival might impact an entire region, but it starts in individual hearts. For those who accept the calling, full life awaits them now and in eternity, and in that, a purpose that goes far beyond themselves.

SURRENDER + LISTEN

WHAT IS GOING ON THE TABLE?

To “put everything on the table” means to release your grip on the good stuff God has given you in surrender to him. He might not ask you to give it away, but the exercise tests our hearts; it recalibrates us and shows God that we trust him. You’re not taking a vow of poverty or swearing off all wealth and material things. You’re saying, “God, all of this is yours. I recognize it comes from You, and I don’t want it to come before you.”

At the back of this guide is a Table List. **Pull it out now. Spend some time considering everything on the list and circle anything that you have that you want to put on the table.** Remember, to circle something means you’re telling God: “This is yours. You can have it if you want it.”

In other words, don’t circle lightly.

“As for the rich in this present age, charge them not to be haughty, nor to set their hopes on the uncertainty of riches, but on God, who richly provides us with everything to enjoy. They are to do good, to be rich in good works, to be generous and ready to share, thus storing up treasure for themselves as a good foundation for the future, so that they may take hold of that which is truly life.”

ON THE OTHER SIDE OF THAT STEP, WE EXPERIENCED GOD IN A PROFOUND WAY.

TO SEE THE REST OF JOSHUA AND STEPHANIE'S STORY

At the end of the day, this 10X Push is about people. Individual lives **transformed by the power of God.** *Humans of Crossroads* are the stories of the work God is doing in our community.

Last week, you filled out the Table List. **It's time to take a second look at those things and listen for God's guidance on them.** For each thing you circled, pause and ask God for His guidance. Remember, you can listen to God and speak by what you choose to freely offer.

KEEP AND ENJOY

Write down things you feel like God just wants you to keep and enjoy.

Take a few minutes to thank God for these abundant gifts. Ask Him to open your heart to any new guidance he wants you to hear.

But godliness with contentment is great gain, for we brought nothing into the world, and we cannot take anything out of the world.

— 1 TIMOTHY 6:6-7

GO WITHOUT

Maybe you feel like you need to cancel the subscription, forego the stock option, or sell the lake house. Write those things here.

Take a moment to receive the encouragement God gives us through this scripture.

Give, and it will be given to you. Good measure, pressed down, shaken together, running over, will be put into your lap. For with the measure you use it will be measured back to you.

— LUKE 6:38

Just because it's on the table doesn't mean God will take it. But to follow Him is to surrender all our wants, desires, and control to what he knows is best—not just for us, but for our neighbors. If you want all that God has, you have to walk past the point of no return or safety.

CHANGE FOR SEASON

Maybe you could go from three lunches out per week to one, walk more to save gas, or reevaluate your stock portfolio. What might God be asking you to adjust?

Ask God to show you what it means to be a cheerful giver. Jot down any words that come to mind.

Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver.

— 2 CORINTHIANS 9:7

NOT SURE YET

If something from your Table List doesn't fit anywhere else, jot it down here and continue to pray about it with God.

Questions or hesitations about these things? Ask God your questions; describe your hopes. Then tell Him you're open to his perfect guidance.

If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you.

— JAMES 1:5

SPOUSE QUESTION

If you're married, the most important thing you can do during this 10X Push is align as a couple. **Answer the questions below together with your spouse.** These questions also work great with significant others, roommates, and friends.

1 /// LET'S LOOK AT THE TABLE LIST TOGETHER.

What things do you think God might be asking us to keep and enjoy, go without for a season, or change to free up resources?

2 /// WHERE ARE WE ALIGNED / DIFFERENT?

What do we feel like we heard from God regarding our differences? What do we need to ask God for to find alignment in our lists?

3 /// PRAY WITH YOUR SPOUSE OVER THE LIST.

What are we hearing from God? Over the next week, listen for what He could be saying and continue to talk with one another about it.

THE MAKING SPACE EXPERIENCE

HEARING FROM GOD IS THE MOST IMPORTANT PART OF THE 10X PUSH. THE MAKING SPACE EXPERIENCE IS A GUIDED EXPEDITION DESIGNED FOR YOU TO HAVE CLEAR AND UNINTERRUPTED TIME TO BE IN GOD'S PRESENCE AND LISTEN TO HIS VOICE. ALL YOU NEED ARE HEADPHONES, A SMARTPHONE, AND SOME SPACE. WHEN YOU'RE READY, SCAN THE CODE TO GET STARTED.

At the end of the day, this 10X Push is about people. Individual lives **transformed by the power of God.** Humans of Crossroads are the stories of the work God is doing in our community.

GOING ALL IN

“ To another he said, “Follow me.” But he said, “Lord, let me first go and bury my father.” And Jesus said to him, “Leave the dead to bury their own dead. But as for you, go and proclaim the kingdom of God.” Yet another said, “I will follow you, Lord, but let me first say farewell to those at my home.” Jesus said to him, “No one who puts his hand to the plow and looks back is fit for the kingdom of God.”

LUKE 9:59-62

Jesus asks for complete surrender. And if we're not going all in on Jesus, we're surrendering to something else. We give our time, money, energy, and effort to countless things on earth that will never perfectly love us back, give us full life, or last forever.

And while it might sound counterintuitive that something as foundational as our heart posture can come down to numbers, the Bible says: **For where your treasure is, there your heart will be also.** - Matthew 6:21.

How we view and act with our money is a reflection of our heart toward God.

The next challenge is to look at the numbers. For some, it will be the very best way to make your surrender complete. The next few pages include exercises that will help you break down the numbers. **Pull out your Table List and flip the page.**

LOOKING AT THE NUMBERS

The following three exercises are different ways to break down the numbers and help you establish a plan. **Use only what's helpful.**

//////////////////// NOTES //////////////////////

THIS 10X PUSH HAS THE POTENTIAL TO BE A GLOBAL AND ETERNITY-SHAKING MOVEMENT. OVER THE NEXT TEN YEARS, WE HOPE TO SEE COUNTLESS PEOPLE COME TO KNOW THEIR LOVING FATHER AND HEAR THE STORIES OF GENERATIONS CHANGED FOREVER—SPIRITUALLY, PHYSICALLY, AND EMOTIONALLY—AS A RESULT OF THE WORK DONE HERE THROUGH JESUS.

“ I consider my life worth nothing to me; my only aim is to finish the race and complete the task the Lord Jesus has given me—the task of testifying to the good news of God’s grace.
