Addendum A*

“ *The Gary Sinise Foundation's
Education and Outreach Center is a
fantastic, one-of-a-kind venue that
I utilized to host my clients and
colleagues. Our events held here have
inspired us all to imagine and act
more intentionally to help pay it
forward with our veterans and first
responders. An outstanding venue
that is a must-see for all to experience!* ”

GIB BOSWORTH, GLOBAL EXECUTIVE
SALES DIRECTOR, GE AVIATION

“ *The Gary Sinise Foundation's
Education and Outreach Center
provides a home for us to pay tribute
to America's heroes — our military
and first responders. Every year, our
TAPS families have been welcomed
to this magnificent venue, and have
had the chance to view inspiring
displays of patriotism and share time
with each other. We are so honored
to be guests at the Education and
Outreach Center.* ”
