Setting the stage for successful launches and major industry announcements is what we do best. Like CFPB's new approach to regulation, Mastercard teaming up with MoonPay for Web3 Push, OnlyFans spilling the tea on \$4B in content creator payouts, and Silicon Valley Bank pitching its comeback story.

Using Money20/20 as part of your annual strategic planning - whether you're introducing a new product, announcing a major milestone, or launching a new initiative - means you'll be maximizing your breaking news before, during, and after the event. Money20/20 puts you in a room with the A-list of the fintech world and amplifies your announcements across the globe.
