Complaints

We always aim to provide the very best service and experience for all supporters. We understand that sometimes things go wrong and there may be times when you are not satisfied with the level of service we have provided. We will always try to resolve things informally, in the first instance. To raise your queries or concerns formally with the Club, you can use one of the following methods below:

Email - supporterservices@westhamunited.co.uk

Letter – Supporter Services, West Ham United Football Club, London Stadium, Queen Elizabeth Olympic Park, London E20 2ST

The Supporter Services team aims to acknowledge all enquires within 5 working days and to provide a resolution to any complaint within a maximum of 15 working days. Once a formal complaint has been received, a 'Ticket Reference Number' will be sent to confirm that the enquiry has been officially logged with the team for review. Quite often the team will be the intermediary between the supporter and the department best placed to answer the enquiry, to ensure the review is handled effectively and resolved in a timely manner. We aim to provide a satisfactory conclusion to all complaints, and we hope there isn't a need to escalate these any further.

However, if you are not satisfied with the response, or feel your complaint has not been resolved, you can request to escalate this for final review. This will be conducted by the person best placed to investigate your concerns. They will conduct their own investigation, reviewing all correspondence to date, before responding with the Club's final response on the matter, which will explain the next steps.

SECTION 10:

DIVERSITY AND INCLUSION

The pursuit of addressing injustice and promoting well-being is a continual endeavour ingrained in the Club's heritage, tracing back to Arnold Hills. In 1900, Hills revamped the Thames Iron Works Football Team into West Ham United FC and took decisive steps to enhance the conditions, well-being, and engagement of its workers and players.

As a Club we are dedicated to listening, educating, influencing and raising awareness. Equality, diversity and inclusion sits firmly on the Board's agenda, and we will continue to push forward with our robust and effective community work to promote equality and are recognised as one of the Premier League Clubs leading the charge in this area. Our approach is an inclusive one and we focus on integration and cohesion and, as a result, in December 2020 the Club were awarded with the Advanced level of the Premier League's Equality Standard (PLES) – the highest level which can be achieved, recognising our ongoing commitment to EDI. The Club was awarded the Advanced level, now called the Premier League Equality and Diversity Standard (PLEDIS) for the second time in October 2023.

The Club engages in several EDI initiatives and is accredited as a London Living Wage employer, Disability Confident Leader and part of the Valuable 500. We continue to be in regular contact, and have strong relationships with, external campaign organisations such as Stonewall, Show Racism the Red Card, and Kick It Out. Alongside this, we continue to work closely with all our Supporter Groups, including Inclusive Irons, Pride of Irons and West Ham United Disabled Supporters Association to ensure the supporter voice is heard in all club decision making. We collaborate with them on dedicated initiatives, concerning events and activities whether on a matchday, online, through our day-to-day services, or through engagement with our supporters' groups and forums. We are committed to engaging authentically and proactively. Here are some of the reasons why:

1. We want to foster a welcoming atmosphere: Embracing diversity ensures that all fans, regardless of their background, feel welcome and valued, creating an enjoyable environment for everyone
2. We want to promote mutual respect: Inclusion fosters a bottom line of acceptable behaviour and reduces the likelihood of conflicts and abuse, leading to a safe experience for all our supporters
3. We want to ensure all our supporters can attend West Ham United: Prioritising equity ensures that all fans have equal access to match day and supporter opportunities, experiences and resources. We are flexible and adaptable to the needs of supporters
4. We want to welcome new fans to the Club: A commitment to diversity and inclusion demonstrates West Ham United is a club for all, and we encourage new supporters to come and get behind the team
5. We want our supporters to create lasting memories: An inclusive and equitable environment allows all supporters to focus on enjoying the game, free from the distractions of discrimination or abuse.

SECTION II: SAFEGUARDING

We seek to ensure the safety and wellbeing of all children, young people and adults who attend matchdays and engage in activities with the club. Safeguarding requires and contributes to a culture of vigilance, including those which values and promotes inclusivity and diversity, to ensure everyone remains safe and is treated with dignity and respect.

It is through the application of the Policy and Procedures that the club will seek to develop a positive and proactive welfare programme to enable all children, young people and 'adults at risk' to attend and participate in an enjoyable and safe environment. This equally applies to the safety and security of those working with and responsible for the activities involving children, young people and 'adults at risk'.

The Policy and Procedures have been approved and endorsed by the club's Senior Executives as well as the Local Safeguarding Children Board and promotes the statutory guidance for safeguarding and promoting the welfare of children. The club will also ensure compliance with the Protection of Freedoms Act 2012. Information sharing between West Ham Safeguarding practitioners, external welfare agencies, and children organisations are essential for effective identification, assessment, risk management and service provision. Fears about sharing information cannot stand in the way of the need to safeguard and promote the welfare of children and young people at risk of abuse and neglect.

Safeguarding policy at the club ensures there is a designated Safeguarding Officer/Lead on duty at all matchdays. The policy is available to download from [here](#). For further information on the Club's Safeguarding matchday or other event arrangements, please email safeguarding@westhamunited.co.uk. If you have a concern on the day about the welfare of a child, young person or adult at risk, please inform the nearest Supporter Service Liaison Officer (SLO), Disability Support Assistant (DSA), steward or stadium response team that you wish to report a welfare/ safeguarding concern.

All matchday staff must escalate to Stadium Match Day Safety and the Club's Safeguarding Team who will respond. Post-match or event, the Safeguarding team can be contacted on **07801 406 447** or at safeguarding@westhamunited.co.uk

SECTION 14: COMMUNITY

West Ham United Foundation

As the Official Charity of West Ham United, the West Ham United Foundation represents the Club's enduring commitment to creating stronger, healthier and more connected communities.

The Foundation's approach is guided by three core aims: responding to need, uniting communities and creating opportunities for people to thrive. These principles underpin their delivery of more than 35 programmes across East London, Essex and international locations.

In addition to providing a breadth of opportunities for people to fulfil their potential on and off the pitch, particular attention continues to be given to addressing critical issues facing local communities.

The impact of violence affecting young people, poor mental health, social isolation and limited opportunities can have far-reaching consequences for individuals, families and communities. Through early intervention, positive activities and trusted relationships, we aim to provide safe spaces, supportive networks and pathways that enable young people to make positive choices and build brighter futures.

A landmark chapter in the Foundation's journey is the opening of The Foundry in October 2025 - its £5 million purpose-built headquarters and community hub in the heart of Beckton, Newham. More than just an operational base, The Foundry is a welcoming, free-to-access space where people of all ages can connect, learn and access support. Designed to bring communities together, the state-of-the-art facility responds directly to community need. This includes free hot meals for vulnerable and young people through the E6 Kitchen catered by Beyond Food, inclusive sport provision, youth engagement programmes, anti-loneliness initiatives for older residents, employability support and community spaces designed to improve wellbeing and connection.

The Foundry reflects West Ham United's long-term devotion to investing in the communities it serves and creating a lasting social impact.

Alongside its wide-ranging programmes, the Foundation also offers opportunities for supporters, businesses and philanthropists to help transform lives through fundraising events and Friends of the Foundation partnerships.

Alongside its wide-ranging programmes, the Foundation also offers opportunities for supporters, businesses and philanthropists to help transform lives through fundraising events and Friends of the Foundation partnerships. Their support enables the Foundation to extend its reach, invest in new initiatives and make an even greater impact across the community.

Together, we are changing lives and inspiring better futures.
